F. No.96/2015-ICAR-CRP Project

Dated: 05.11.2018

## Corrigendum

Sub:- Corrigendum - Tender for **Custom polyclonal antibody development in 2 rabbits using purified protein and recombinant protein-Two number** -reg

Ref: - This Office Tender No. 96/2015-ICAR-CRP Project dated 27.10.2018  
(Tender ID 2018\_DARE\_400812\_1)

With reference to the subject cited above it is hereby informed that terms & condition of mentioned in the tender notice Sl.No.6 (b to d, f to h, k & m ) may be replaced with following terms & conditions. The other terms and conditions mentioned in the tender notice shall remain intact.

- (b) Quote should include price for each antigen in two rabbits, work flow/ process details, ELISA and western blot data showing positive reaction with immunogen and negative reaction with pre-immune sera of the rabbit.
- (c) Please provide minimum 5 (Five) purchase orders as a proof of working with ICAR Institutes / government institutes where your services were used recently to produce polyclonal / monoclonal antiserum with their feedback.
- (d) Preference will be given to the ISO certified service providers who have experience of handling polyclonal / monoclonal antibody production projects. Valid proof should be attached.
- (f) Antibodies along with assessment results should be delivered through secured mode only. To maintain data confidentiality, firm should sign a confidentiality agreement.
- (g) Detailed technical details with polyclonal antibody production protocols should be included.
- (h) The final result/ quality of the polyclonal antibody produced for each antigen will be verified by competent authority and payment will be made only after satisfactory completion of the work subject on competent authority.
- (k) Project should be completed within four months of assignment of job (from the receipt of antigen to antibody production).
- (m) Penalty will be imposed at 0.5% per week maximum to 10% of the total cost of the antibody production service, if the antibody production services are not completed within scheduled time or mutually extended period. The Director, ICAR-CTCRI, may cancel the contract and take resources to such other action as deemed appropriate once the total amount of liquidated damages exceeds 10% of the contract amount.

  
Asst. Administrative Officer (Store)
